VRT WORLD'S UNIQUE BLOCKCHAIN-BASED PLATFORM

“...I’M LOOKING FORWARD TO SEEING EVEN MORE GREAT CONTENT AS VR CONTINUES TO GROW!”

Facebook’s Mark Zuckerberg

RIISING VR MARKET IS NOT WITHOUT ITS ISSUES:

- Current practices hinder developers and create a lack of varied high-quality VR content.
- Creation of quality VR content requires a long development cycle.
- The high cost of development and hardware is prohibitive to many developers.

THE SOLUTION: GLOBAL INTEGRATION OF DEVELOPERS, CONSUMERS AND BUSINESS

VRT World’s solution is a unique blockchain-based platform and marketplace that will entice thousands of developers from all over the world to create and monetize quality VR content.

PLATFORM AND MARKETPLACE WILL OFFER:

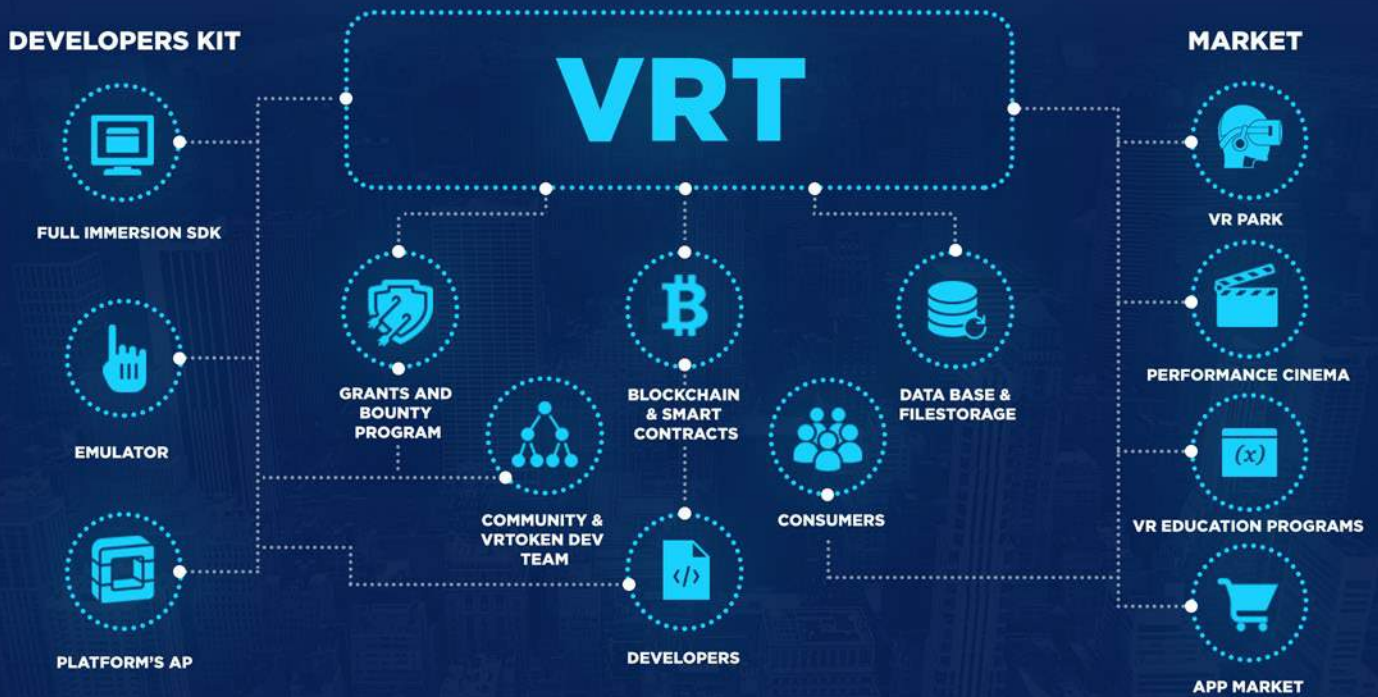

- The tools developers need to create VR content without the heavy expense.
- Simpler transactions for developers, consumers and businesses within a transparent marketplace.
- Protection of intellectual property rights, licensing and distribution of royalty guarantees.
- The Z8 Franchise Network offers franchise management opportunities.
- The Network is also one of the foundational customers of the VRT Market, providing testing grounds for development, and as a consumer of quality content developed within the Blockchain Market.
